Sejong Academy Vision and Mission Statement

Vision

Sejong Academy students will become scholars of Korean and English, as well as socially responsible global citizens.

MISSION

Sejong Academy is committed to providing an academically rigorous education to Twin Cities students through immersion experience in Korean language and culture by using research-based curricula, high standards for accountability and promoting an appreciation for diversity and international cultures.

Course Description

The Beginning GLP Core course will focus on inner development and community engagement at any level. Students will also work on developing connections between their inner development and community engagement as global leaders. We will utilize frameworks and activities developed with and provided by our community partner World Savvy. Throughout this school year students will prepare for their futures after graduation. They will gain confidence in their identities and their skills as global leaders. They will prepare themselves for life after high school whether it is college, trade school, or career development. Students will explore what they are passionate about and find their pathway to succeed in this world and be true global leaders.
