

부산의 여름 SUMMER IN BUSAN

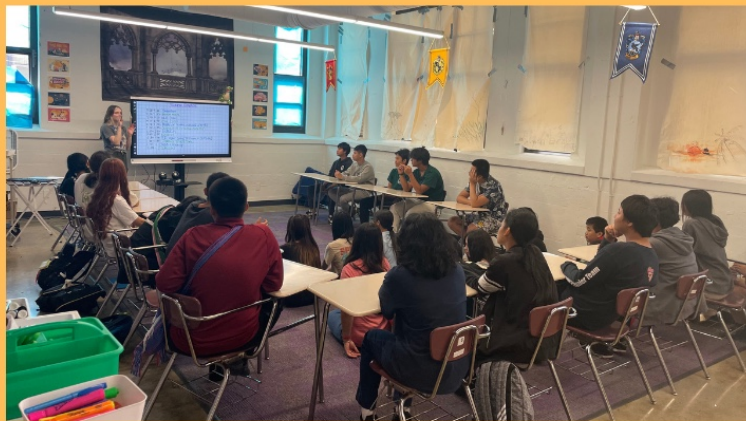

Second Thursday Theme-day: 해운대 해변 파티

On July 20th, the summer students of Sejong Academy had an unforgettable experience at the Busan Hae-Eun-Dae Beach Party, which took place on the picturesque shores of Lake Johanna. Hae-Eun-Dae beach is renowned for its stunning beauty and rich cultural significance in Busan. The entire Sejong Summer school community, including students and staff, came together at Lake Johanna to partake in various water activities that evoked the essence of Hae-Eun-Dae beach. Simply it was a blast :)

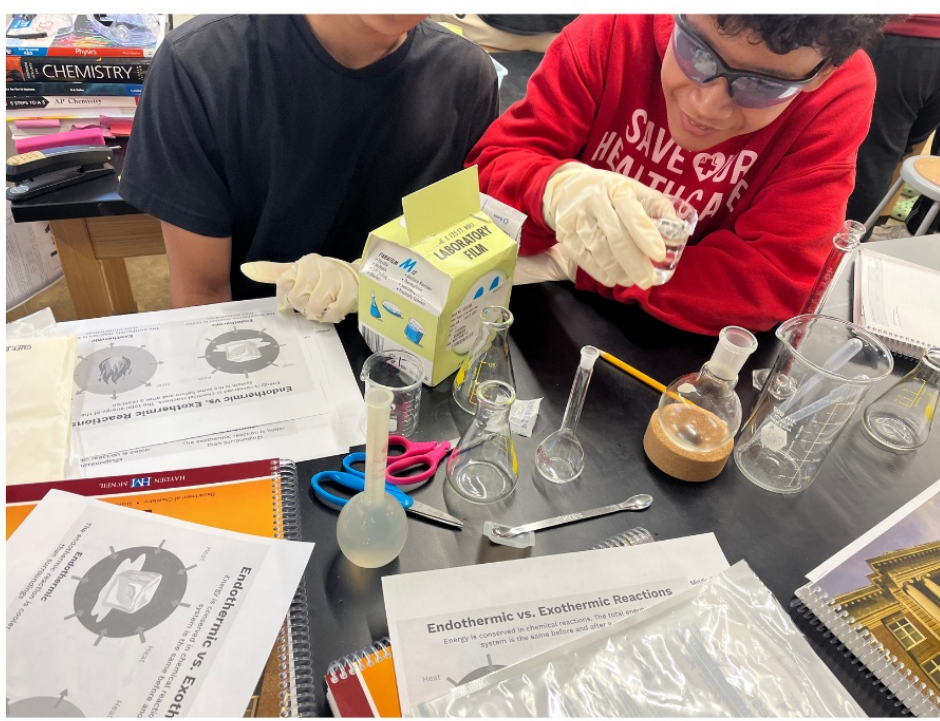

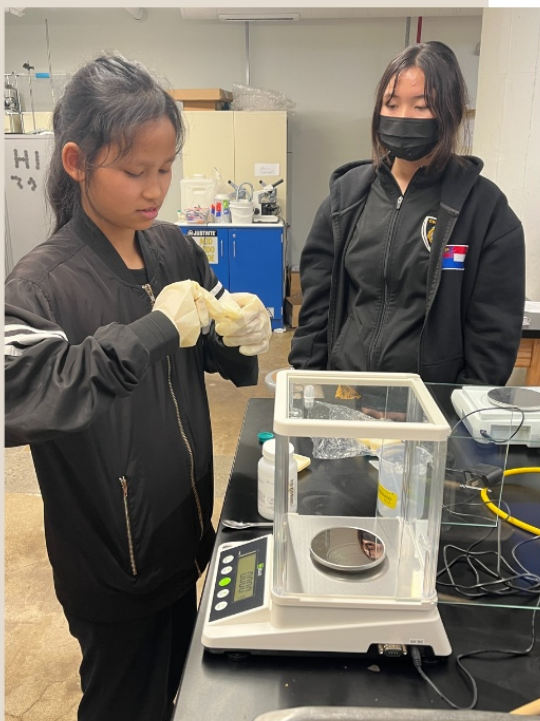

Sejong Summer Upper School

This year, the upper school students at Sejong Academy are engaging in an enriching and intensive academic program, focusing on advanced courses in Science, Math, and Korean Language. This unique opportunity allows students to enhance their skills in these specialized subjects while also enjoying a wide range of exciting summer activities and field trips

G8 Intensive Science with Mr. Oh

Mr. Oh, the upper school science teacher at Sejong Academy, has been leading an intensive science class for 8th-grade students, an hour each day to their academic growth. The 8th-grade students have demonstrated remarkable academic potential, setting a strong foundation for their future science courses.

Grade 6-8: Science Museum of MN

During their visit to the science museum, upper school students were captivated by interactive exhibits brimming with fascinating stories about science, cultures, discoveries, and the brilliant minds who observe and analyze our world.

Grade 4: Springbrook Nature Center

Under the guidance of Ms. Karen Hong, the 4th graders embarked on a rewarding journey of enrichment, exploring wooded and wetland areas through invigorating hikes and adventurous trails.

Grade 2 & 5: Como Park & Town

The combined group of Grade 2 and Grade 5 students had an exciting outing to Como Park and the nearby town. One of the 2nd-grade students joyfully proclaimed it as the best day of their summer after the field trip. Witnessing our students thoroughly enjoy and experience their summer at Sejong Academy brings us immense happiness.
