*What we need in the United States is not
division; what we need in the United States is
not hatred; what we need in the United States
is not violence and lawlessness, but is love and
wisdom, and compassion toward one another,*

*Now is the
time to
make justice
a reality for
all of God's
children*

*Injustice anywhere is a threat to
justice everywhere, because we are tied
together in a single garment of destiny*
