Safe Opening Plan - Executive Summary

Safety Priorities

- All staff and students will wear masks in the building
- Offer student and teacher testing every two weeks
- New building has an HVAC system with improved air flow
- Teachers and students will try to maintain a three feet social distance at all times
- Continue to closely watch student and staff health
- Staff should not need to quarantine unless they test positive
- Classes with positive cases will need to quarantine for ten days

Instructional Model

- No online option (could change if a class needs to quarantine or case rates change)
- Teachers will use the same schedule online as offline in the event of having to go online
- Teachers will have unrestricted use of hands-on learning materials
- Limited volunteers will be accepted

- CDC or State guidance on any aspect of the plan or updates
- More knowledge about Delta transmission rates and kids
