SEPTEMBER
NEWSLETTER

Greetings, families of third grade!

I am Hyomin Tae Kudo, your child's third grade teacher.

For the first two weeks of school, we talked about the rules in different locations of the school such as lunchroom, hall ways, classroom, and courtyard during recess. Students came up with the rules and they shared their hopes and dreams for this school year as well. So far, it's been a great pleasure to work with your children. :) If you have any concerns or questions, please let me know!

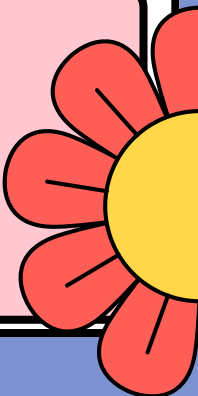

Dates to Remember:

Dear 5th grade families,

Welcome to the start of another school year! I am very excited to have your student in my class this year. We have a large class (28!) which makes for a very joyful and BUSY classroom. That being said, each of your students' individual education needs are extremely important to me, and I am collaborating with other teachers and planning lessons to make sure those needs are met.

What We Just Learned:

- As a class, we made expectations and rules that everyone has agreed to follow
- We practiced logging in to our chromebooks
- We became superstars at lining up in order and being great examples in the hallway
- Other routines & expectations

What We Will Learn This Month:

- Science: Unit 1 - Ecosystems & The Food Web
- Social Studies: Unit 1 - America's Geographic Setting
- Math: Unit 1 & 2 - Place Value & Multiplying / Dividing by Whole Numbers
- ELA: Unit 1: Narrative Nonfiction & Realistic Fiction
- Mr. Park is working on setting goals in Korean and learning foundational skills with the class!

Important Dates:

- August 29-31: NWEA Testing (Math - Tuesday, Reading - Wednesday, Science - Thursday)
- September 1-4: No School
- September 28: Chuseok - After School Event
- September 29: No School

Sincerely,
Ms. Walsh
