Book Checkout Procedures: Library will be open for walk-ins half hour in the morning before school begins as long as there is a librarian on duty. Classes will have one day a week of designated library time to check-out, return or renew books. Students who need more time to complete a book may renew it during their library time. The book does not need to be returned to be renewed. Students just need to request that their book be renewed when going through the checkout line. To make book return easy, a book drop box is located outside the library.

Overdue books: We do not charge fines for overdue books. However, students with overdue books are not allowed to check out another book until an overdue item has been returned. If a book is more than one month late, it will be deemed lost. Overdue notices will be sent home every month. We do our best to properly check in books. If your child receives an overdue notice, and believes the book has been returned, please have your child ask us to check the shelves again.

Lost & Damaged Books: Students who have lost or damaged a book will be billed and asked to make a donation of the replacement cost of the book. Since most of our books are special library bound books, we ask that you do not purchase a replacement copy yourself. Trade bindings do not hold up to library use. Checks for the replacement cost can be made payable to Sejong Academy and brought to the librarian at the school office. If a book is found after a donation has been made during the current school year the donation may be refunded. Lost books returned the next school year will not be refunded.

Library Expectations: One of the goals of media class is to encourage students to self-select books. Students will be encouraged to choose “just right” books, but in the end, it is the individual student's choice what he or she reads.

- Noise level should be respectful of others using the area.
- Take care of books both in school and at home.

- Respect one another

- Keep our hands, feet, and shelf markers to ourselves.
- Speak politely with kind words.
- Participate & Learn
- Don't step on someone else's words.
- Listen respectfully and respond thoughtfully.
